HOW WE EXPRESS OURSELVES

Inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs and values; the ways in which we reflect on, extend and enjoy our creativity; our appreciation of the aesthetic. Culture is represented by symbols and celebrations that express diversity within our global community.

Pasta
Pizza
Fish&Chips
Croissant
Vegetable rice
Noodle
Paella

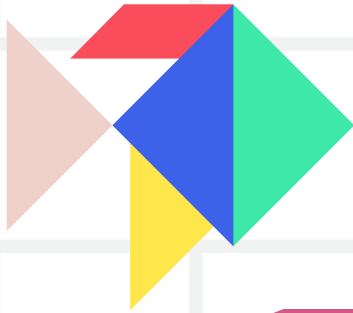

WEATHER&CLOTHES

Windy
Cloudy
Rainy
Stormy
Foggy
Sunny
Partly Cloudy
Coat
Raincoat
Sweater
T-shirt
Shorts

Maths & STEAM

Geometric shapes is one of our favourites, so we made an amazing variety of forms using tangram.

We focused on our pattern skills by doing pentomino, first as a group and then individually.

We had the chance to get to know the landforms by pouring blue water in plastic shape boards to show us the land and water. By doing this we saw the shapes of the land such as; cove, island, lake, etc.

Child Centered Learning

STATION ACTIVITY

Students used playdough to make models of the weather conditions on a mat.

FOREST WEEK

Students went out into the garden and collected leaves and branches. Students made faces by sticking them on the paper.

LITTLE RED RIDING HOOD

Students watched a video about fairytales, then they chose a character and colored it.

& Let's get cooking!

Pasta-Italy

- 1 package of pasta
- Grated cheese
- Olive oil

Tapas-Spain

- Slices of bread
- Cheese, corn, red pepper, olives
- Cream cheese

Vegetable Rice- China

- Boiled rice
- Olive oil
- Corn, beans, carrots

Pizza-Italy

- Toast bread
- Cheese, corn, red pepper, olives
- Tomato sauce

Croissant- France

- Puffy pastry
- Powder sugar

P.E AND OUTDOOR ACTIVITIES

TRADITIONAL GAMES

We played lots of traditional games and emphasized the importance of 23rd April.

BODY CONTROL

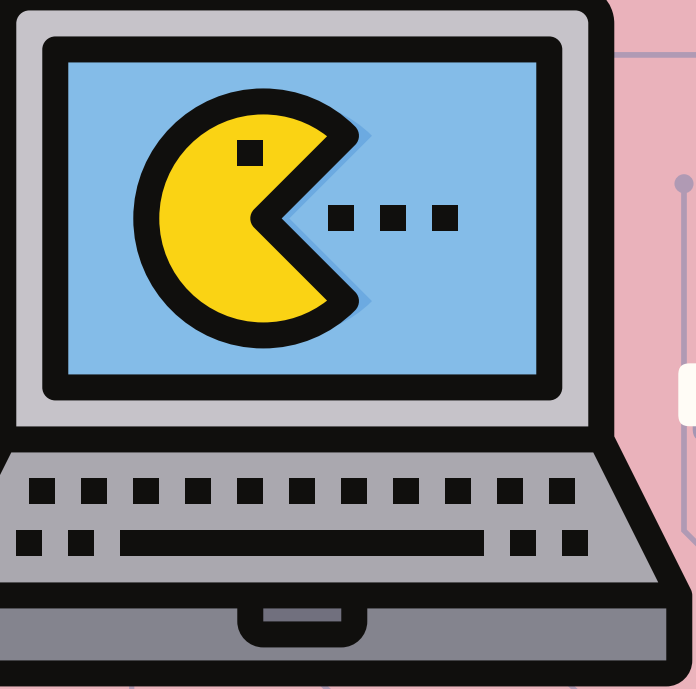

We increased our body control through, workouts and exercises which require us to use our arms and legs simultaneously.

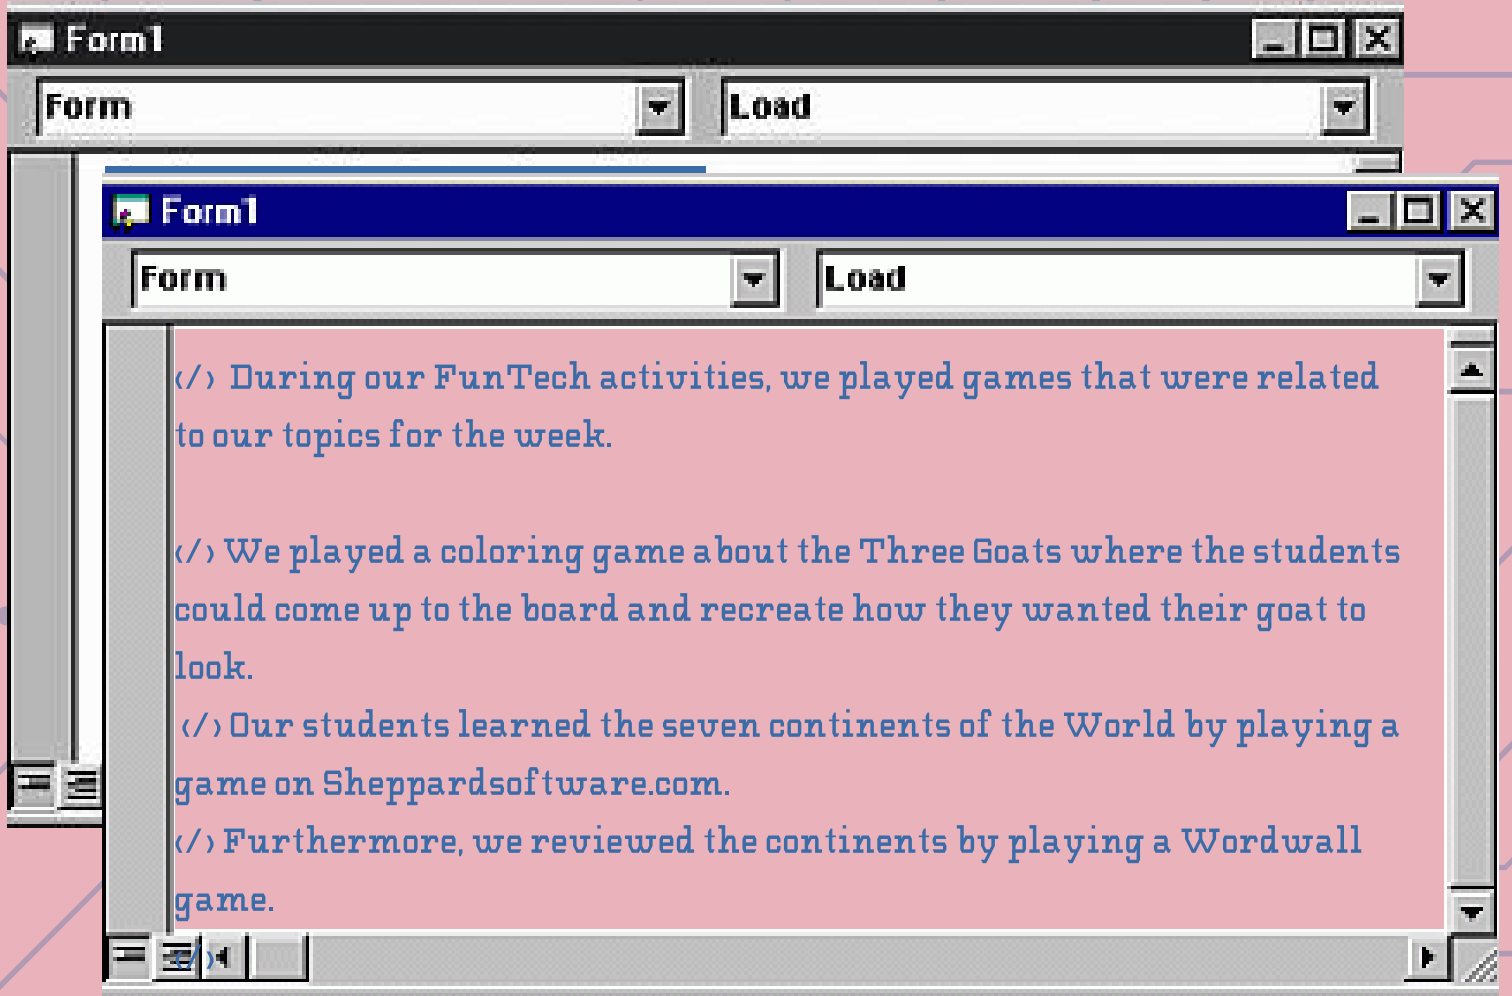

SPORTSMANSHIP

We emphasised the importance of sportsmanship, ensuring kids understand that whether they win or lose they always need to remain respectful.

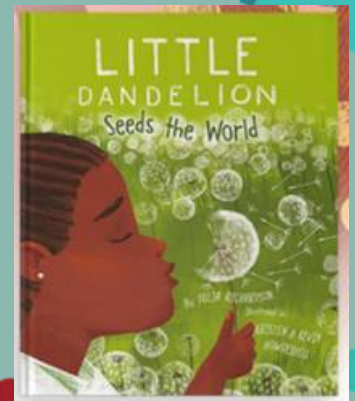

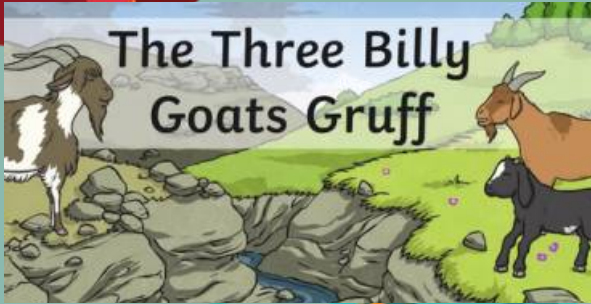

FUN TECH

Story O'clock

We read the story about the Three Goats and made a 3D image to recreate part of the story.

Another story was Little Dandelion Seeds the World. It took us on an adventure of all seven continents.

Later the students listened to the story about Toucans and learned about the Amazon Rain Forest in Brazil. They then recreated their own rainforest by coloring and adding either a toucan or a jaguar to a rain forest scene.

Gold Mine

Here are the QR codes to some of the stories and songs we listened to in class so you can enjoy them at home too!

Picasso Loves Shapes

Giuseppe Archimboldo
